

## Twin Cities Kids Club now offers FREE memberships for local families!

*Annual memberships are now available to Twin Cities families at select events*

**Minneapolis, MN** (February 27, 2017) The Twin Cities Kids Club, a discount and events program for local families since 2015, is now offering annual memberships for FREE to families at select events beginning in March 2017.

The Twin Cities Kids Club is partnering with local businesses to offer free memberships at events where a large number of families are invited. Memberships will be available for free at these events in spring 2017:

Just Between Friends Kids Consignment Sale  
Maple Grove, MN  
Saturday, March 18th from 10-7  
<http://twincities.ibfsale.com/>

South Metro Moms Expo  
Eagan, MN  
Saturday, April 8th from 10-4  
<https://southmetromoms.com/>

“Our goal is to offer as many families as possible the opportunity to enjoy savings at businesses and attractions in the Twin Cities, while offering businesses a unique way to reach families and associate their businesses with fun and savings.” –Lisa Baker, co-owner.

With their membership, families can save up to 50% at over 60 businesses in the Twin Cities, listed in the [discount directory](#).

The **Twin Cities Kids Club** is a membership-based service that offers activities, dining out and attractions at a discounted price to Minneapolis/St. Paul families. Twin Cities Kids Club’s exclusive deals may be used multiple times and often cover the entire family. New offers and deals are added regularly, offering members variety and the opportunity to continually experience new events and activities.
